## CONDITIONS OF ENROLMENT

### TIMETABLE

Students are expected to devote themselves unreservedly to their studies in lectures and study periods which are compulsory, and to conform willingly and promptly to the programme throughout the day. Punctuality and cooperation are essential for the smooth running and well-being of the School and for personal discipline.

All lectures are in English and it is necessary that you understand, speak and write English fluently.

All students join together on Sundays for morning and evening services.

All students help in the daily domestic duties.

All students are involved in regular outreach commitments which may involve an extended stay away from the School.

### STUDY OBLIGATIONS

Students are expected to complete the Course applied for, arriving on the first day of the School and remaining to the closing date. Failure to meet these criteria may lead to forfeiture of the Bible School Certificate.

The School Authorities reserve the right to terminate the studies of any student who proves unsatisfactory, in which case the balance of fees will be forfeited.

Printed notes are sometimes made available, but students are required to take their own notes in all lectures.

### EXAMINATIONS

Written assignments and examinations are given in some subjects. The grades will count towards the certificate awarded at the end of the Course.

### APPEARANCE

Clothing: Our expectation is that clothing should be clean, neat, tidy and discreet no matter what the prevailing trends in society. Students are required to dress more formally for Sunday Services.

Hairstyles: Hair is expected to be kept clean, tidy and well-groomed. Once School has commenced we do not allow students to dye their hair with a colour not naturally occurring in hair, eg. pink, green, blue etc. Also we reserve the right to stop any trends which we consider unhelpful.

### CULTURAL ADJUSTMENTS

Students must realise that in attending one of our Bible Schools they will be moving into a different national culture, and must be willing to make the necessary adjustments which will vary from School to School.

### ACCOMMODATION

It is normally necessary to share a bedroom with a number of others in dormitory-style accommodation. Age is taken into consideration when assigning you to your accommodation.

### CONDUCT

Smoking, alcohol and drug taking are forbidden at all times.

In order to comply with current legislation designed to reduce the risk of harm to children and vulnerable adults, we are now required to register each student through the Independent Safeguarding Authority (ISA) before taking part in our outreach programme.

If you have already been involved with children or vulnerable adults in the UK, you may already be registered with the ISA. If this is the case, please state your registration number: .....

If you have not been registered with the ISA we will help you with this upon your arrival at Capernwray Hall but you will need to bring ORIGINAL ID documents with you. A list of these documents can be found on our website, and will also be included in our Acceptance letter.

As the first part of this process, we also need you to complete the Voluntary Disclosure below:

1. Have you been charged with, or convicted of any criminal offence (excluding minor traffic offences) or have cases pending?      Yes       No
2. Is there anything else we would need to know in terms of your attitude towards, previous work with, or relationship with children that would put their safety at risk?      Yes       No

If you have answered "YES" to either of these questions we will send you a confidential declaration form to complete and return to our Child Protection Co-ordinator(s). This will enable us to make an informed decision about your involvement in the course and outreach programme.
